**Partea I: CITIT**

Brasil (Portuguese: *Brasil*) officially the **Federative Republic of Brazil** (Portuguese: *Republica Federativa do Brasil*), is the largest country in both South America and Latin America. At 8.5 million square kilometers (3.2 million square miles) and with over 208 million people, Brazil is the world's fifth-largest country by area and the fifth most populous. Brazil borders every South American country except Chile and Ecuador. Its capital is Brasilia, and its most populated city is Sao Paulo. The federation is composed of the union of the 26 states, the Federal District, and the 5,570 municipalities. It is the largest country to have Portuguese as an official language and the only one in the Americas; it is also one of the most multicultural and ethnically diverse nations, due to over a century of mass immigration from around the world.

Bounded by the Atlantic Ocean on the east, Brazil has a coastline of 7,491 kilometers (4,655 miles). It borders all other South American countries except Ecuador and Chile and covers 47.3% of the continent's land area.
